

85mm Electronic Speedometer Tenet Auto Electronics Limited

85mm Speedometer,ELECTRONIC

Application: Truck/Bus/Electric Vehicle/Three Wheelers/Tractor

Special electronic speedometer with odometer in LCD display.
Mounting hole 85/100mm. Black front & dial, white scale and pointer.

- Electronic Speedometer with stepper motor
- Total Mileage Programmable
- Calibration(imp/km) Programmable
- Installation Diameter: 85mm (3 3/8") or 100mm
- Speed Range: 0~125km/h ,0~200km/h
- Mileage Range: 0-99999.9KM
- Operating temperature:-40°C~+85°C
- Protection Rank: IP67
- Reverse polarity protection

Part No.	Speed Range	Bezel	Voltage	Mounting Hole
TD85	0~125km/h	Chrome/Black/Stainless Steel	8~32V	85mm(3 3/8")

Remark: The speed range can be customized.

Additional charge for mold will be needed
